Women’s Bible Study
Begins Monday, October 17th
6:45-8:15 p.m.
Ladies Bible Study Room

“Discerning the voice of God” by Priscilla Shirer provides a personal study experience plus viewer guides for the group video sessions of this women’s Bible study. Having a hard time knowing what God is saying versus what others are saying? This Bible study is designed to help participants know the voice of God: His language, character, and tone of voice. By growing closer to God through His Word, participants will be able to discern God’s voice from the voice of strangers.
